This matter comes before the Court on “Plaintiff’s Motion and Proposed Order for Withdrawal of Counsel” (Dkt. #27). Under Local General Rule 2(g)(4)(A), “A motion for withdrawal shall be noted in accordance with CR 7(d)(2) . . . and shall include a certification that the motion was served on the client and opposing counsel.” Here, plaintiff’s counsel, Hector Steele Rojas, did not note the motion in accordance with CR 7(d)(2), nor did he include a certification that the motion was served on his client and opposing counsel. Accordingly, plaintiff’s motion (Dkt. #27) is hereby STRICKEN because it does not comply with Local General Rule 2(g)(4)(A). Plaintiff’s counsel is strongly urged to comply with the local rules in
